

A dramatic sunset or sunrise scene over a body of water. The sun is a bright, glowing orb in the center of the frame, partially obscured by dark, heavy clouds. The sky is filled with layers of clouds, some of which are illuminated by the sun's light, creating a warm, orange and yellow glow. The water in the foreground is dark and choppy, with white foam from breaking waves visible. In the distance, a lighthouse is visible on a small island or headland, its light beam extending across the water. The overall mood is romantic and nostalgic.
